Re: George W. Drexler

Dear Ms. Lither:

This is in response to your letter of October 12, 1984, attaching a handwritten note from George W. Drexler.

Mr. Drexler's assertion that he entered a plea agreement with the Government is correct. As you can see from the attached copy of the agreement, however, it was solely a disposition of all criminal charges which might be based upon his activities prior to November 24, 1982. The parties to the attached agreement neither contemplated nor intended to dispose of any civil proceedings which might be conducted. Indeed, everyone assumed that civil tax consequences would ensue from the criminal judgments.

If I can be of any further assistance in this matter, please don't hesitate to contact me.

Sincerely,

GENE S. ANDERSON  
U.S. Attorney
